Request to Deny Access to **ALL** Directory Information:

Federal Law (No Child Left Behind, Section 9528) requires schools to disclose the names and addresses of students in grades 7-12 to military recruiters and institutions of higher learning, if so requested. Education Code allows the schools to disclose directory information to certain specified agencies such as the news media, prospective employers, parent-teacher association, etc. *The same law allows you to choose **NOT** to have the information disclosed. **If you do not want any of your student's directory information to be released TO ANY ORGANIZATIONS please checkmark and sign below.***

PLEASE BE AWARE - if you mark this option, no organizations (newspapers, colleges, military, etc.) will receive information from the school regarding the student and no images of the student will be put on the school website. For example, a student's recognition as Student of the Month will not be released, the list of graduates to the media will not include the student's information, etc. **IF YOU MARK THIS OPTION YOUR STUDENT WILL NOT BE ELIGIBLE TO PARTICIPATE ON A SPORTS TEAM.** (Education Code 49061)

*If you are only interested in **denying directory information to the military** please complete the separate military opt-out form, and not this page, thereby allowing other institutions to receive your student's information.*
