

North Point Academy students may be "A-G" eligible. Courses meeting an A-G area are noted within course descriptions. Any student hoping to attend a 4 year university directly after high school completion should be completing the A-G requirements.

Area	Subject	Years
a.	History and Social Science (including 1 year of U.S. history and 1 semester of American government <i>AND</i> 1 year of World History)	2
b.	English (4 years of college preparatory English)	4
c.	Math (4 years recommended) including Algebra I, Geometry, Algebra II, or higher mathematics (take one each year)	3
*d.	Laboratory Science (including 1 biological science and 1 physical science)	2
*e.	Language Other than English (2 years of the same language)	2
*f.	Visual and Performing Arts (dance, drama or theater, music, or visual art)	1
g.	College Preparatory Elective (additional year chosen from the University of California "a-g" list)	1
Total Required Courses		15

* Areas D (Lab Science) and E (World Language) are not available on the NPA campus. Our students meet these requirements if desired for A-G eligibility by way of dual enrollment at one of our comprehensive high school or academic enrichment with Sierra Community College.

[Academic Enrichment with Sierra Community College](#)

NPA students may want to take a community college course to fulfill university entrance requirements. To be considered for academic enrichment, an appointment with the NPA counselor is required. Any college credit earned may be used toward the 220 graduation credit requirements. This credit is calculated as College units X 3.33. Upon receiving an official transcript, college courses will be added to the student's high school transcript.
