

North Point Academy students may be "A-G" eligible. Courses meeting an A-G area are noted within course descriptions. Any student hoping to attend a 4 year university directly after high school completion should be completing the A-G requirements.

Area	Subject	Years
a.	History and Social Science (including 1 year of U.S. history and 1 semester of American government <i>AND</i> 1 year of World History)	2
b.	English (4 years of college preparatory English)	4
c.	Math (4 years recommended) including Algebra I, Geometry, Algebra II, or higher mathematics (take one each year)	3
*d.	Laboratory Science (including 1 biological science and 1 physical science)	2
*e.	Language Other than English (2 years of the same language)	2
*f.	Visual and Performing Arts (dance, drama or theater, music, or visual art)	1
g.	College Preparatory Elective (additional year chosen from the <u>University of California "a-g" list</u> )	1
<b>Total Required Courses</b>		<b>15</b>

\* Areas D (Lab Science), E (World Language), and F (Visual or Performing Art) are not available on the NPA campus. Our students meet these requirements if desired for A-G eligibility by way of dual enrollment at one of our comprehensive high school or academic enrichment with Sierra Community College.

[Academic Enrichment with Sierra Community College](#)

NPA Juniors or Seniors may be eligible for academic enrichment with Sierra College. The main criteria is completion of sophomore year and an overall GPA of 3.0. Interested students must meet with the NPA counselor prior to proceeding. Any college credit earned may be used toward the 220 graduation credit requirement. This credit is calculated as College units X 3.33. Upon receiving an official transcript, college courses will be added to the student's high school transcript.
